Studies show that individuals with disabilities prove to be better employees because they are more

- ♦ RELIABLE
- ♦ DEPENDABLE
- ♦ LOYAL

Working with RCS, you can be assured that your job applicants are

- ♦ PRESCREENED
- ♦ QUALIFIED
- ♦ PROPERLY MATCHED TO YOUR NEEDS

RCS services include

- ♦ EMPLOYEE PRESCREENING
- ♦ TRAINING

Your business needs qualified job applicants and we represent people with disabilities who can have a positive impact on your business productivity and profitability.

RCS services are free of charge to all North Dakota businesses and employers.

To learn more about how RCS can help your business develop strategies to your disability-related issues, contact your nearest RCS regional office.

Ability, Reliability and Dependability

RCS represents your primary source of information when it comes to employing individuals with disabilities. RCS consultants can provide critical knowledge and expertise on the AMERICANS WITH DISABILITIES ACT and serve as a key source of information on financial incentives, education programs and accessibility accommodation options.
